

Jason Lancaster Has Joined Missouri/Kansas Palliative & Hospice Care

With over seventeen years in the hospice industry, Jason Lancaster is teaming up with Missouri Palliative & Hospice Care and Kansas Palliative & Hospice Care to augment services in the Kansas City Metro area.

INDEPENDENCE, Mo. - Oct. 6, 2022 - [PRLog](#) -- Missouri Palliative & Hospice Care and Kansas Hospice & Palliative Care, community-minded organizations, have engaged Jason Lancaster to help the dedicated Community Relations teams succeed, as well as provide support to the overall operations of the programs. Lancaster brings over thirty years of experience in the geriatric space.

Executive Director Beth Aguirre, LSCSW, LCSW, explains how this partnership will benefit the Kansas City & Northwest communities. "I am excited to announce that Jason Lancaster has joined our Missouri Palliative Hospice Care team. Lancaster brings with him years of hospice experience with proven expertise and respected relationships throughout the Kansas City community. We are happy to have him investing in us and look forward to working with him as he helps to guide the direction and coordination of care following our mission to provide the highest level of comfort and care to our patients and their families."

"As a native of Kansas City, I could not be happier to work with local ownership and invest with this amazing group. Hospice is sacred care. Throughout my career, my goal has been to provide the best culture for employees to thrive. It's challenging work and I'm always amazed to work with people that choose this occupation. It's an honor to be with them each day," said Lancaster.
